3. PROJECT/ EVENT FOR 2021.

- **MENSTRUAL HYGIENE CELEBRATION**

The Menstrual Hygiene day was marked on 29th May, 2021. The team celebrated it with teenagers (girls) of ASESESOS Presbyterian Basic School. The team gave them a talk, cleared some misconceptions about menstruation, demonstrated how sanitary pads are used and donated some sanitary pads.

- **GRAND OPENING OF THE TECHNOLOGY CENTRE**

The team had a grand opening of it's FIRST TECHNOLOGY CENTRE at ASESSISO Presbyterian school in the Eastern region of Ghana on 9th July 2021. With technology being the SOLE LANGUAGE OF THE FUTURE. The team has plans of opening more TECHNOLOGY Centers in the rural communities in Ghana.

- **RECIEVING OF OUR UK PARTNERS.**

Our partners from UK in persons of Mr Leroy Kraku , Hannah Giyorgis and Collins were received by the team on 27October, 2021. They were taking to the centre to have a look at the facility and interact with the kids(beneficiaries). They were also privileged to have met the chief of Aseseeso in the person of Okatakyie Kusi Obuadum Amoyaw v.

- **THE TEAM VISITED SOS AT ASIAKWA TO CELEBRATE WITH THEM THEIR 5TH ANNIVERSARY**

The team visited SOS children's village at Asiakwa to celebrate their 5th anniversary with the children. Some items that were donated included bags of rice, washing powder, tissues, shoes, drinks, bags of sachet water etc.

- **SIGNING OF UK PARTNERSHIP AGREEMENT.**

The team was glad to have successfully signed a formal partnership agreement between the foundation and UK branch led by Mr Kraku Leroy on 3rd November 2021. This news brought so much excitement to the members and their well-wishers. The managing Director of the United Kingdom pledge his continuous support of the foundations initiative/ projects as he deem it worthwhile.

TECHNOLOGY
IS THE SOLE LANGUAGE OF THE FUTURE. READY?

FRANTOMAPA EDUCATIONAL AID
Partnership Certificate
This is to Certify that
MR. LEROY KRAKU
is the Managing Director of
Frantomapa Educational Aid -
United Kingdom Chapter.

REMARKS

2021 was a successful year full of projects. The team was able to execute five projects successfully. The foundation welcomed two noble people to the team as members while inactive members were also released after all attempt to make them participate in the foundations' meetings, projects and important discussion proved futile.

We see 2022 as a year of opportunities and we are looking forward to more sponsorships and volunteers to enable us reach out to the less privileged communities.

Prepared by

BERNICE ABAKWAM & SELINA AGYEI.

Finance officer and the CEO of the foundation respectively.
